

BWF Group is your worldwide Technology Leader & Innovation Partner.

We provide individual high-quality solutions in the textile & plastics industry.

WHAT we do

We provide **support and advice** to our customers throughout the entire product life cycle.

We leverage our comprehensive knowledge from **research and development** to implement customer-specific solutions.

We offer **customised products & services**.

We satisfy the **highest quality demands** of our customers.

We stand by our **commitment to society and the environment**.

HOW we do it

We promote and develop our **employees**. Our teams are the basis of our future success.

We strive for long-term **profitable growth**.

We consistently re-invent ourselves through great **enthusiasm and the eagerness to experiment**.

We combine **the traditional and the modern**.

We cultivate and maintain **long-standing business relationships** with our customers and partners.

We all benefit from the **synergies of the BWF Group** and mutually support each other.
